Re: **EX PARTE**
Advanced Wireless Service Auction, AU Docket No. 06-30

Dear Ms. Dortch:

On February 23, 2006, Tom Sugrue, Kathleen Ham and Patrick Welsh of T-Mobile USA, Inc. ("T-Mobile") and the undersigned on behalf of T-Mobile, met with James Schlichting, Deputy Chief of the Wireless Telecommunication Bureau ("Bureau"); Walter Strack, Chief Economist of the Bureau; and Gary Michaels, Deputy Chief of the Bureau's Auction and Spectrum Access Division, regarding the above referenced proceeding. The T-Mobile representatives strongly supported the June 29, 2006 date for the start of Auction No. 66 and urged that the Commission keep the auction on schedule. The representatives also addressed the Commission's proposed Auction No. 66 procedures and focused on the points set forth in the attached PowerPoint presentation.

Pursuant to Section 1.1206(b) of the Commission's rules, an electronic copy of this letter is being filed with the office of the Secretary. If you have any questions regarding this notification, please contact the undersigned.

Very truly yours,

/s/ Cheryl A. Tritt
